

Wheelersburg Baptist Church is pleased to offer this in-person course on Biblical Counseling. We desire that upon completion of this course students will be better equipped to make disciples of people experiencing crises in their lives. Counseling is happening all around us, therefore it's not an option in life, it's a fact of life. Our counsel must be biblically sound. This course will help students interpret and respond to the issues of life with biblical clarity and help. As an added benefit to the student The Biblical Counseling Course is designed to meet the Track One Learning requirements for certification with The Association of Certified Biblical Counselors (ACBC).
