Community Group Discussion:

1. This morning’s message from Isaiah 6:1-8 was entitled, *“Beholding the Greatness of God: A Thanksgiving Message.”* Take time to read again this stunning account of the time that Isaiah saw God. Then take time to read the outline of this morning’s message.

2. What effect does this passage have on you? What truth most encourages you? What insight most challenges you? What questions does it raise?

3. If God is so great, and He certainly was in the eyes of Isaiah, what are some reasons why He might seem so small to us? And if He does seem small, what’s the solution?

4. This is Thanksgiving weekend. It is the perfect time to stop and reflect on what we have seen the Great One do this year. What has He done to demonstrate His greatness in your life? In your family? In our church? In our world? Take time to share these reflections with the group, and then give thanks to the Great One for what He has done!

5. One of the most amazing demonstrations of God’s greatness is when He saves a sinner. Have a couple people in your group share their salvation story, to the praise of the Great One!
